SYNOPSIS

When David Bishop leaves home one morning to post a letter, he has no idea that he is about to walk from one end of the country to the other.

He has no hiking boots or map, let alone a compass, waterproof or mobile phone. All he knows is that he must keep walking. To save someone else's life.

Written by the drama department at Barry Comprehensive School and inspired by the Sunday times bestseller "The Unlikely Pilgrimage of Harold Fry" written by Rachel Joyce, "The Pilgrimage" is a performance that you do not want to miss.
